Company Credentials :

Based in the Pink city of Rajasthan (Jaipur), Rachana Stones supplies customized stone products from the heart of India's mining and stone crafting region. The traditional technique of constructing stone palaces and temples, combined with some of the most unique Sandstones, Marble, Granite, and Slates, gives Rachana Stones a rich heritage to build upon. The company has been successfully supplying high quality of Granites, Sandstones and other natural stones to the major international markets in France, Italy, U.A.E, Indonesia, Turkey, Malaysia, Russia and Commonwealth of Independent States (CIS Countries). We also export finished products i.e. tiles, slabs and mosaic to Kuwait, U.S.A, Germany, France, Italy, U.A.E, Singapore, Oman, Saudi Arabia, Australia to name a few. Established in the dawn of millennium, the company is successfully extending its service for more than 14 years to the multi-dimensional stone supplies to all around the world. The present production capacity of the company is more than 60000sqm of granite Slabs Marble, Sandstone, Slates and lots of value added items. We have successfully completed many reputed projects in different countries around the world.
